### Thanks to Our Supporters

The Academy of Psychosomatic Medicine recognizes and appreciates the significant financial support provided by the following companies for the 56th Annual Meeting.

- ◀ AstraZeneca Pharmaceuticals
- ◀ Bristol-Myers Squibb and Otsuka Pharmaceutical, Inc.
- ◀ Eli Lilly and Company
- ◀ Ortho-McNeil Janssen Scientific Affairs, LLC

# Final Program

We are pleased to welcome you to the 56th Annual Meeting of the Academy of Psychosomatic Medicine. With the theme *"Quality of Care: Implications for Psychosomatic Medicine"* we look forward to an exciting and rewarding experience with colleagues and friends. This is the Academy's main event of the year and we are confident that it will meet your expectations for professional growth.

An exciting group of plenary speakers will address major issues: Dr. Wayne Katon, *"Approaches to Improving Mental Health Outcomes in Primary Care"*; Dr. Benjamin Druss and Dr. Jürgen Unützer, *"Improving Care at the Interface of Medicine and Psychiatry"*; and Dr. Mary Jane England, *"Quality, Integration of Mental Health and Substance Use, and Primary Care."*

We have a wealth of ideas and research information to absorb from concurrent paper sessions, a poster session, workshops and symposia, based on 196 submitted abstracts. The Hackett Award lecture by Dr. Francis Creed and the Research Award lecture by Dr. Jürgen Unützer will be highlights, and the Awards & Fellowship Convocation luncheon will provide an opportunity to recognize colleagues' contributions to our specialty.

A half-day *"Update in Psychosomatic Medicine Course"* and three pre-conference *"skills"* courses covering *"Beyond the Basics: Navigating Women's Mental Health Issues," "Advanced Management of Delirium,"* and *"The Business of Building Services for Psychosomatic Medicine"* will provide additional educational opportunities for those who arrived on Wednesday.

Based on what this annual meeting has to offer, we are confident that you will leave on Sunday re-invigorated about our specialty and even more prepared to serve your patients.

**Carol Alter, MD, FAPM**  
President

**Steven Epstein, MD, FAPM**  
Program Chair

### Accreditation

The 2009 Annual Meeting has been planned in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the Medical College of Wisconsin and the Academy of Psychosomatic Medicine. The Medical College of Wisconsin (MCW) is accredited by the ACCME to provide continuing medical education for physicians.

### Credit

The Medical College of Wisconsin designates this educational activity for a maximum of **30.0 AMA PRA Category 1 Credits.**™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

### Disclosure

All persons in a position to control the educational content of the Annual Meeting will have made disclosure of their relevant financial relationships with industry. The CME Provider has a mechanism in place to identify and resolve any actual or potential conflicts of interest.

### Learning Objectives:

*At the end of this meeting participants will be able to:*

- describe the most recent research findings and clinical areas of interest in Psychosomatic Medicine
- analyze the different perspectives of Psychosomatic Medicine from pediatrics to geriatrics offered by leaders in the field
- discuss relevant public health and policy perspectives relevant to Psychosomatic Medicine (C-L Psychiatry)
- apply the latest uses of psychotropic medications to their clinical practice for the benefit of their patients
- compare different approaches to the provision of evidence-based psychiatric care for the medically ill
